Welcome to 'Club de Vuelo TAS'

'Club de Vuelo TAS' is a flight school located at Madrid Cuatro Vientos Airport. Also has a Flying Club and organizes for

its members aeronautical activities, conferences, training, etc. Members have also lower prices on these activities.

'Club de Vuelo TAS' is a JAR/ATO (Approved Training Organisation) authorized by AESA (Spanish Civil Aviation Authority) to impart PPL courses.

RATINGS REVALIDATION OR RENEWAL. FLIGHT SCHOOL.

'Club de Vuelo TAS' could organize the proficiency check to revalidate or renew SEP/MEP/IR ratings and FI certificate. Even for renewals that require some refreshment training, our FI and CRI staff is available to impart it as required.

In our Flight School it is possible to obtain your PPL(a) licence in an easy way adapted to your own schedules. Even if you are working or have another occupations, you will be able to obtain your PPL during your leisure.

MADRID CUATRO VIENTOS, OUR HOME BASE.

Madrid Cuatro Vientos is the Madrid GA airport, only at 7Km to the city center.

VFR, controlled and with 1500 mts. runway it is the best option for general aviation at Spain's main city. The airport is equipped with Bar-Restaurant, Pilot Shop, and other facilities.

'Club de Vuelo TAS' is located at this airport, in a modern facilities next to the terminal building. Our Flight Operations office have nice views of runway and apron. In our Classrooms and Briefing Room you'll find all the material required to prepare your flight.

Madrid is located near the geographical center of Iberian Peninsula. That means in less than 3 flight hours you can reach any point of Spain and Portugal.

It's amazing depart in the morning from Cuatro Vientos, heading East, fly 2 hours and land at Castellon airfield, by the sea. Then have a wonderful day in the beach (eating *Paella*, of course), and fly back to Madrid in the evening.

OUR FLEET

Covering from basic trainer until complex light-twin, our fleet, entirely Piper branded, is maintained by a maintenance center (EU-145 and CAMO approved) located at our home airport.
